RE: Public Records Act Request

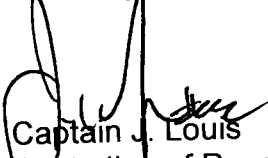

Dear Ms. Lucchesi:

This letter is in response to your California Public Records Act request dated January 4, 2019 requesting, *"Data on all cases of: unsolved missing persons, homicides, suspicious deaths, and deaths in custody involving an Alaska Native/American Indian woman or girl victim within your jurisdiction(s)..."*

We have determined that we have no records responsive to this request, as we are unable to search our records management system by the demographic Alaska Native or American Indian. These two demographics are not captured as a race category in our system.

With this response, staff has completed its work to process and respond to your California Public Records Act request.

Sincerely,

Captain J. Louis  
Custodian of Records
